Arthur Guedes

undefined undefined

I build websites for businesses that want to sell more.

Open to: Software development roles and proposals, remote. We can work out the format together.

Who I am

I am studying for a Bachelor's in Artificial Intelligence at UFOP, João Monlevade campus, and I build full stack web applications for small businesses and organizations. I deliver with automated tests and CI, and I have made security and privacy decisions on a real project.

Outside of code, I lead people: I am Master Councilor and Treasurer of a chapter of the Order of DeMolay, which taught me to organize, delegate and look after people and money. I also take part in a UFOP extension project, as an extension project member.

Projects

Harmonia e Paz Chapter management app
Management app in production, used by 45 people

Notary
Class schedules, grades and absences in one place

Fading
Memorize a text by gradually erasing its words

Dorilayne Presentes
A promotional site that takes people looking for gifts in João Monlevade straight to WhatsApp

Alevinos Mais
Catalog of 24 species where each fish becomes a WhatsApp order

Experience

Extension project member
Apr 2026 – present

UFOP extension project

I work as a team member on a university extension project.

Open source contributions
2026

Chess-Review and Librelog

I fixed a browser extension that did not run on Firefox-based browsers, in a merged PR. I have an open PR on a community desktop app so that its text stops calling the computer a Mac outside macOS.

Additional experience

Master Councilor and Treasurer
Aug 2025 – present

Order of DeMolay, Harmonia e Paz Chapter no. 496

I lead the chapter: I run the meetings, coordinate the members and the activities and, as Treasurer, manage the finances. The projects I built for it are on the projects page.

People management · Task division and delegation · Leadership · Event organization · Financial management · Software close to its users

Education

Bachelor's in Artificial Intelligence
Until Dec 2029

Federal University of Ouro Preto (UFOP), João Monlevade campus
